News and Updates

- The Nebraska Department of Agriculture contacted the NRC for comments regarding administrative changes the Department is proposing. These were submitted on Monday, November 10th.
- Please consider posting information regarding care for pets during cold weather to your social media accounts. With recent temperatures hitting record lows, also consider contacting your local law enforcement agencies when you see a pet left out in the cold.
- We are seeking a Communications Director to oversee all online communications including Facebook posts, email monitoring and other media options. This is a volunteer position and we expect the time commitment to be 5-10 hours per month. Please email president@nerescue.org if you or someone you know is interested.
- We are now offering a monthly **community spotlight** for rescue-friendly veterinarians, pet supply stores, groomers and other local businesses. If you would like your favorite rescue-friendly resource included in future newsletters, send their information to president@nerescue.org and check out our new section below!
- Business Sponsorship/Partnership available for flyer distribution: We are considering print sponsorships for local businesses. Business logos will be printed on our redesigned flyer for distribution at local shops. Mellow Mushroom in Lincoln is participating as our first brochure partner and is distributing our information to their patrons. If you know of a business already expressed interest and venues in Omaha are also being considered.
